

New Durham Fire Department Standard Operating Guidelines (SOG)

SOG 106 Scent Free Workplace

PURPOSE: To mitigate potential health concerns of members and of citizens receiving services.

SCOPE: All Department members

SPECIFICS:

- Members will refrain from the use of scented products while on-duty, responding to calls or whenever in proximity to citizens, patients, the public or fellow members.
- Members will maintain a standard of neatness and cleanliness so as to not appear offensive nor offend other members, citizens, patients or the public with any scent or odor.
- Members will refrain from the use of tobacco products of any kind.
