

New Durham Fire Department Standard Operating Guidelines (SOG)

SOG 402 Use of Seat Belts

PURPOSE: To ensure member safety while being transported in a Department vehicle

SCOPE: All members riding in any Department vehicle.

SPECIFICS:

- All members shall secure themselves with the vehicle's seat or seat/lap belt prior to the vehicle being moved; and shall remain secured at all times while the vehicle is in motion.
- If the vehicle is not equipped with seat or seat/lap belt options, the requirement does not apply.
