

New Durham Fire Department Standard Operating Guidelines (SOG)

SOG 407 Wearing of Standard Safety Vests

PURPOSE: To ensure the visibility of personnel operating in proximity to roadways.

SCOPE: All personnel.

SPECIFICS: All personnel shall wear the Standard Safety Vest when at a scene and operating within 6 feet of any roadway.

EMS Responders shall wear said Vests over their EMS apparel or outer wear at all MVAs and at any other time they are in proximity of a roadway.

Firefighters shall wear said Vests at all times over their bunker gear or outer wear. Vests shall be removed and not worn if a SCBA is donned.
